TOTALS		3,957	73,049	246,702	427,113	574,308	39.4%	27.0%	45.9%	42.5%

* In the state of Maryland hospitals are non-competitive by regulation

Note #1: Provider counts are a snapshot taken at the start of the current month; a practitioner is counted once as PCP and/or specialist in each state in which s/he has an active location. The Total Practitioners column reflects the unique headcount for the state regardless of the providers' specialties.

Note #2: Provider discounts are averages based on all claims processed in the 12-month period through the end of the prior month.
